

Aluminium Flat Top Fence Panel

**ALUMATIN**T 03 8361 9100 E info@alumatinscreens.com.au

Our flat top panels are manufactured from aluminium. The panels are welded using naturally corrosion resistant welding. A high quality powder-coat is applied for the ultimate durability.

The range comes in Black colour and in 1200 high by 2400 wide panels.

Round Rod Size: 16x1.2mm

Rail Size: 38x25x2400mm

Rod gap: 74mm

Pedestrian Gate Size:

1200 x 970 fixed width fully welded gate

Make your own gate by using our individual Flat Top gate stiles and Flat Top fence panel.
